

CLUBHOUSE

RIVER LANDING CLUBHOUSE | WALLACE, NC

The River Landing Clubhouse is the centerpiece of the River Landing Community. The 60,000 sf. clubhouse spans over three floors and includes a professional grade kitchen servicing several dining spaces with walk-in coolers and freezers, hood, and dish washing system. The member spaces include men's and women's locker rooms, men's and women's lounges, bar and grille room, sub-dividable dining room/banquet hall, golf pro shop, veranda, and other outdoor patio and dining areas. The clubhouse also contains administrative offices, support spaces, and conference rooms. Cart storage is located in the basement level and is fire separated from the member spaces located on the 2 levels above.
