

**Intern Architects | Architects**

**Job Code: R\_18003\_IAA**

Cline Design Associates, PA is an award winning multi-disciplinary architectural firm with offices in Raleigh and Charlotte, North Carolina. Our expertise is in multi-family housing, mixed-use, commercial, urban planning, retail, recreation, and interior design. With in-house Architecture, Land Planning, and Interior Design, we can provide integrated design services that position our clients for success in the marketplace. With our design philosophy, combined with a realist approach, and dedication to quality assurance, we have attained a reputation as one of the leading firms in North Carolina.

Our Raleigh office is seeking creative and talented Intern Architects and Architects with 2 – 5 years' experience. The ideal candidate will have both a design and technical focus. They will be responsible for all aspects of architectural design services including conceptual studies, schematic documents, design development documents, and construction documents.

The candidate must also possess strong graphic ability with 3D modeling rendering experience. Revit proficiency is mandatory.

**Qualifications:**

- Experience with multi-family and mixed-used projects preferred
- Demonstrated proficiency in Revit, Lumion, Adobe Creative Suite and Sketchup
- Excellent communication, written and presentation skills
- Organized, self-directed with excellent time management skills
- On path to licensure or if licensed, NC Architectural Registration preferred

With an open office concept, our culture is collaborative, fast-paced, and team-oriented. Our ideal candidate is someone who fits into that culture by being self-motivated to learn fast, with a desire to make a positive impact on those around them.

We offer a competitive salary based on experience, and a full benefits package that includes: medical, dental, vision, life, short and long-term disability insurance, supplementary insurance, flexible spending accounts, 401k, and an employee-wide incentive program.
