

**Intern Architects | Designers**

**Job Code: C\_18006\_Intern Architect/Designer**

Cline Design Associates, PA is an award winning multi-disciplinary architectural firm with offices in Raleigh and Charlotte, North Carolina. Our expertise is in multi-family housing, mixed-use, commercial, urban planning, retail, recreation, and interior design. With in-house Architecture, Land Planning, and Interior Design, we can provide integrated design services that position our clients for success in the marketplace. With our design philosophy, combined with a realist approach, and dedication to quality assurance, we have attained a reputation as one of the leading firms in North Carolina.

We are seeking Intern Architects/Designers with a minimum of 1 to 3 years' experience for our Charlotte office. The candidate must possess strong design skills, strong graphic ability with 3D modeling rendering experience, and ability to work from Schematic Design through the Construction Document phase. Revit proficiency is mandatory.

**Qualifications:**

- Experience with multi-family and mixed-used projects preferred
- Demonstrated proficiency in Revit, Adobe Creative Suite and Sketchup
- BArch or MArch from a NAAB accredited university
- On track to pursue NCARB IDP & Licensure
- Excellent communication, written and presentation skills
- Organized, self-directed with excellent time management skills
- LEED Accredited a plus or pursuing accreditation

With an open office concept, our culture is collaborative, fast-paced, and team-oriented. Our ideal candidate is someone who fits into that culture by being self-motivated to learn fast, with a desire to make a positive impact on those around them.

We offer a competitive salary, and full benefits package that include: medical, dental, vision, life, short and long-term disability insurance, supplementary insurance, flexible spending accounts, 401k, and an employee-wide incentive program.
