

Interior Designer

Job Code: C18009_ID

Cline Design Associates, PA., is an award winning multi-disciplinary architectural firm with offices in Raleigh and Charlotte, North Carolina. Our expertise is in multi-family housing, mixed-use, commercial, urban planning, retail, recreation, and interior design. With in-house Architecture, Land Planning, and Interior Design, we can provide integrated design services that position our clients for success in the marketplace. With our design philosophy, combined with a realist approach, and dedication to quality assurance, we have attained a reputation as one of the leading firms in North Carolina.

Our Charlotte office has an opening for a talented Interior Designer with 3 – 5 years' experience. Candidate must have strong design skills, ability to follow instructions for required tasks, and have the ability to work with project teams to complete projects in various stages of design. Revit proficiency is mandatory. Experience and interest in corporate design is preferred.

Responsibilities:

- Prepare interior design construction drawings, renderings and development of plans
- Programming, concept design, space planning, technical detailing, furnishing layouts and finish specifications
- Ability to execute all phases from concept design to construction administration
- Assist with client and consultant communications
- Assist in the selection and specification of materials, finishes, furniture, lighting and art
- Consult with vendors, research and propose FF&E materials and products
- Coordinate materials and drawings for presentations
- Research code requirements
- Organizes files, materials and prepare presentations

Qualifications:

- 1 to 3 years' experience with commercial and hospitality interiors
- Proficiency in Revit is required
- Knowledge of AutoCAD
- Proficiency in Adobe Suite and Sketchup
- Knowledge of the design process, including FF&E, furniture systems and specifications, color and materials
- Strong graphic and visualization skills
- Strong verbal, written and presentation skills
- Ability to work well in a team environment
- Bachelor's degree in Interior Design or Architecture from an **accredited** college or university mandatory
- **Portfolio submission required**

With an open office concept, our culture is collaborative, fast-paced, and team-oriented. Our ideal candidate is someone who fits into that culture by being self-motivated to learn fast, with a desire to make a positive impact on those around them.

BENEFITS

We offer competitive benefits that include: medical, dental, vision, life, short and long-term disability insurance, supplementary insurance, flexible spending accounts, 401k, and an employee-wide incentive program.
