

Position: Sr. Interior Designer
Job Code: C200124SID

Our Charlotte office has an opening for a talented Sr. Interior Designer with minimum 6 years' experience. Candidate must have strong design skills, ability to handle multiple projects simultaneously, and ability to work with project teams to complete projects in varying stages of design. Revit proficiency is mandatory. Experience and interest in corporate design is preferred.

Day to Day Responsibilities

- Produce high quality project design deliverables in both FF&E and construction documents
- Work on any/all phases of design including Pre-Design, Schematic Design, Design Development, Construction Documents and Construction Administration
- Consistently bring fresh ideas and unique design solutions to the team that are project appropriate – designs should reflect the branding and clients positioning as well as the building architecture
- Develop vignettes and hand sketches of interior design and FF&E concepts to meet the intended design goal(s)
- Develop space planning concepts and generate project documents
- Ability to design various multiple simultaneous project types
- Selection of furniture systems and specifications
- Selection of appropriate and unique finish and lighting specifications for each project type
- Possess and maintain an in-depth knowledge of current interior design trends, finish materials and the design process
- Review shop drawings and samples to ensure drawings and finishes match CDA Specifications
- Provide project team coordination for finish plan, specifications, and material selections required for construction
- Work with consultants, furniture dealers, project reps and fabricators to meet overall project objectives
- Attend site visits and client presentations and coordination meetings
- Present design presentation to clients, consultants, and in other group settings in an articulate and professional manner that reflects expertise and industry knowledge
- Regularly produce and review the project teams drawing sets and deliverables for accuracy, efficiency and thoroughness
- Participate in team meetings by collaborating with team and studio leaders by communicating project progress (deliverables, deadlines, client/construction issues, etc.)
- Contribute solutions to challenges and issues that surface
- Have regular coordination with project teams to keep lines of communication open and address questions or concerns
- Actively lead the design process while guiding and encouraging the development of Interior Designers
- Assist Interiors Manager and Project Managers in developing contracts and achieving financial success on projects
- Performs other duties that may be assigned from time to time

What we look for

- Bachelor's degree in Interior Design or Architecture from an accredited college or university mandatory
- NCIDQ preferred
- Six (6) years of experience minimum
- Proficiency in Revit; Knowledge of AutoCAD
- Proficiency in Adobe Suite and Sketchup
- Knowledge of the design process, including FF&E, furniture systems and specifications and finish materials
- Experience in all aspects of the Design /Contract Documentation/Contract Administration process
- Strong graphic and visualization skills
- Strong verbal, written and presentation skills
- Ability to work well in a team environment

Qualified candidates, please submit resume and portfolio to: hr@clinedesignassoc.com. Subject line should include job code. No phone calls, please.

With an open office concept, our culture is energetic, collaborative, fast-paced, and team-oriented. Our ideal candidate is someone who fits into that culture by being self-motivated to learn fast, with a desire to make a positive impact on those around them.

We offer a full benefits package that include medical, dental, vision, disability insurance, supplementary insurance, flexible spending, and 401k with match. In addition, PTO, professional development assistance, and other perks are provided.
